

## Public Works

The mission of the Public Works Department is to maintain the safety and integrity of the Town's infrastructure related to potable water, transportation, wastewater, and buildings owned by the Town. We value customer service to our residents, and are committed to providing services in a fast and efficient manner.

For After Hours water and wastewater emergencies, call ☎ (928) 245-0547

Reminder!!

Public Works accepts used motor oil and used commercial cooking oil. They are opened Monday thru Thursday, 6a.m. - 4:30 p.m.
